CLEVELAND – September 2, 2009 -- Maloney + Novotny has been selected as a winner of **NorthCoast 99 –One of the 99 Great Workplaces for Top Talent in Northeast Ohio.**

NorthCoast 99 is an annual recognition program that honors 99 great workplaces for top talent in Northeast Ohio. The program was developed and is presented by the Employers Resource Council (ERC), Northeast Ohio's leading and largest professional organization dedicated to HR practices, programs and services. The NorthCoast 99 program measures candidates in seven key areas within a workplace: flexibility, opportunity, recognition, development, security, support and talent integrity. The NorthCoast 99 Award celebrates businesses that excel in attracting, retaining and motivating top employees through programs and benefits that exceed industry average.

A number of Maloney + Novotny staff completed the anonymous survey. Matthew J. Maloney, the firm's managing shareholder, had this to say about the award: "It is such an honor to be recognized as one of the Best Places to Work in Northeast Ohio. The feedback provided by our employees was outstanding and it is because of their enthusiasm that we are one of the top companies in our area. They are a group of loyal and dedicated employees who not only support each other but also the firm. They are truly invaluable and make working here a pleasure."
